

Dear Students of the College of Science and Engineering Technology,

We are excited to announce the second year of the Student Ambassador Program for the College of Science and Engineering Technology (COSET) at Sam Houston State University. This program aims to engage passionate and dedicated students who are eager to make a positive impact on our community through volunteering and outreach.

To be eligible for this unique opportunity, interested students enrolled in COSET programs must meet the following criteria:

- Academic Excellence: Maintain a minimum GPA of 3.0 or higher.
 - Effective Communication Skills: Demonstrate strong verbal and written communication skills.
 - Enthusiasm for Community Engagement: Showcase a genuine interest in serving the community and promoting the values of science and engineering technology.
 - Leadership Qualities: Exhibit leadership potential and the ability to work collaboratively with diverse groups of people.
 - Commitment to Professionalism: Uphold a high level of professionalism and represent the College with pride.
-
- Professional Development Training: Gain valuable leadership and communication skills that will enhance your future career prospects.
 - Networking Opportunities: Connect with faculty and staff, industry professionals, and fellow ambassadors to
